WHAT CLIENTS SAY

"What Catholic Charities gave us first was safety. I was given a key to a door that locked and the staff helped me understand that I now had a support system. I'm on my way to moving into my own apartment, and I no longer fear that I'm going to fail in some way."

"It's alleviated some of our stress and put stability and consistency in my children's lives. I feel like the future looks better. I needed help to get there. Without the help we received at Catholic Charities, we wouldn't have had a chance."

"I can go in and order at McDonald's by myself. And when a man made a mistake with my order, I was able to speak up and correct him. I could never have done that before."
